L/I Contract No. JG-1966

17 FEB 1966

Attention: [REDACTED]

25X1A

Gentlemen:

1. The United States Government intends to place a contract with your company for performance of a complete preliminary system analysis and design of a certain airborne system. The work statement for such contract will be substantially the same as that set forth under Phase I, in your document No. AEP-A5-711.

2. Pending issuance of a definitive contract you are authorized to spend up to [REDACTED] in necessary preparation and preliminary studies to cover the work outlined above.

Very truly yours,

THE UNITED STATES GOVERNMENT

25X1A

[REDACTED]
Contracting Officer

ACKNOWLEDGED AND ACCEPTED

BY [REDACTED]

TITLE Vice President and General Manager
